

# GR8 GIVERS

**Do you know 8 people?  
Then your group can make  
a GR8 big difference!**

The Community Blood Bank is looking for groups of 8 people to join our new GR8 GIVERS program! Many groups would love to donate blood but don't have quite enough people to have our bloodmobile come to them.

Now there's a program just for you!

Why 8? Because 8 pints make up a gallon! So our challenge to your group is to give 1 Gallon of blood in a single week!

## **Here's how it works:**

- ♥ The Community Blood Bank will assign a code number to your group
- ♥ We'll work with you to choose 1 week to invite your 8 donors to come to the blood bank's fixed site at 2646 Peach St. to donate blood
- ♥ Each donor will come in at their convenience that week and receive a GR8 GIVERS travel mug as our special thank-you for participating

## **What your group gets:**

In addition to the awesome feeling of saving lives, your group will get:

- ♥ Featured in our next monthly newsletter (sent to about 14,000 people)
- ♥ Featured on our outdoor digital marquee, viewable by traffic on Peach St.
- ♥ a Certificate of Recognition
- ♥ an Entry into that month's \$100 gift card for breakfast or lunch for your group
